College for a formal Review of Prior Learning. Additional fees may apply. To commence the process please attach the transcripts or evidence of the related previous study.

Alternative Contact Details

After enrolment, supplying an alternative contact means we will contact that person in the event of an emergency, if we can't get in touch with you directly. Emergencies could include wellbeing/medical emergencies that Cavalli College becomes aware of or where they have not had any response from contacting you (the enrolled learner) for more than 3-5 days. This information is held securely and privately, and not shared with anyone outside of the Cavalli College team.

Disability impairments

Cavalli College follows the New Zealand Disability Strategy definition of disability, which utilises the social model of disability. The New Zealand Disability Strategy states that, "disability is not something individuals have. What individuals have are impairments. They may be physical, sensory, neurological, psychiatric, learning or other impairments." Therefore, "disability is the process which happens when one group of people create barriers by designing a world only for their way of living, taking no account of the impairments other people have." In a learning situation the barrier could be something that affects your learning or pace of learning.

All applicants are invited to share with Cavalli College any disability impairments or diverse needs that are likely to impact on their learning experience or ability to meet the programme requirements.

In sharing this information with Cavalli College, you consent to us contacting you to discuss your needs and any support we can offer you. Any written records of the needs discussion are held confidentially within the Cavalli College individual learner records filing system, in accordance with the Privacy Act 2020. You have the right to request who within Cavalli College has access to these records.

Collection of Information

Post enrolment, as an NZQA registered Private Training Enterprise (PTE) Cavalli College may (from time to time) be required to share personal learner information with external agencies including, but not limited to, NZQA, Immigration New Zealand, Ministry of Education, Ministry of Social Development, Ministry of Business Innovation and Employment, Inland Revenue, StudyLink, and employers.

Information affecting your learning and academic progress is shared professionally between Cavalli College and supervising staff in work experience environments. Permission for this is provided through the signing of the Workplace Agreement and Learner Skills Record by the learner, workplace supervisor and Cavalli College tutor. Information that is disclosed with Cavalli College around learning support needs or disability impairment (seen or unseen) will only be shared with your prior approval.

Programme Acceptance Requirements

Certain programmes may require your evidence of a recent police check. This is to ensure you are a fit and proper person for working in the field of your programme, for example Early Childhood Care and Education as required by the Children's Act 2014. We will contact you to discuss the process should this be required.

Programme Fees

The programme fees are published on the Cavalli College website www.cavallicollege.nz. In some cases sponsorships or scholarships may be available.

In completing and signing this Application for Enrolment you agree that you have the ability to pay all (applicable) fees as required and agreed by the terms and conditions in the Cavalli College Offer of Enrolment.
