New Zealand Diploma in Early Childhood Education and Care (Level 6)

The **New Zealand Diploma in Early Childhood Education and Care (Level 6)** approved and accredited by **NZQA** will enable you to develop in-depth pedagogical knowledge across key curriculum areas, including language and literacy, the creative arts, mathematics, science and technology, and family and community engagement. You will gain essential skills to thrive as a confident early childhood student teacher, supporting children, whānau, and communities with confidence and care.

At Cavalli College, we put our learners first by offering relevant courses, a simple online system, IT support, and dedicated tutor guidance, all while working closely with your workplace. Upon completion you can pathway into a Bachelor of Teaching and apply for provisional NZ Teacher Registration. Contact us to learn more!

Programme highlights:

- Learn intentional teaching techniques in all areas of curriculum including languages, literacies, and the arts for infants, toddlers, and young children
- Explore effective planning, assessment, and teaching approaches that foster the development of mathematics, science, and technology in early childhood education.
- Gain skills to support the holistic health and wellbeing of infants, toddlers, and young children in early childhood education, focusing on teaching practices, educational policies, and community initiatives.

Career opportunities:

- Gain employment in early childhood centres and other related services.
- Positively contribute to teaching teams and communities.
- Pathway to higher learning and NZ teacher registration.
